

Insurance Information Practices:

We will rely primarily on information provided by you. We may supplement that information with information from other sources. In some cases, we may ask a consumer reporting agency to collect information and submit an investigative consumer report to us as explained in this notice under **Federal Fair Credit Reporting Act**. You may request to be interviewed in connection with the preparation of this report. You have the right to be told about, and to see and copy, if you wish, items of personal information about you that appear in our files, including information contained in investigative reports. You also have the right to seek correction of information you believe to be inaccurate.

Federal Fair Credit Reporting Act:

As part of our underwriting, we may ask that an investigative consumer report be prepared. An independent source known as a consumer reporting agency will prepare the report. The report will typically include information as to your character, general reputation, mode of living and personal characteristics. The agency will conduct personal interviews with your family, friends, neighbors, business associates, financial sources, or others with whom you are acquainted in order to get this information. If you write to us within a reasonable time after you receive this notice, we will tell you whether or not a report was requested. If a report was requested, we will tell you the name, address and telephone number of the agency to whom the request was made. Upon request, the agency will furnish information as to the nature and scope of its investigation. If you would like to inspect and to receive a copy of the report, you may do so by contacting the agency directly.
