<b>ACCELERATED DEATH BENEFIT** (Not Available in CA)</b>	Accelerated Death Benefit is a built-in feature that allows for acceleration of up to 50% of the death benefit in the event of Terminal Illness.		

\*Loans against the policy will reduce the cash value and death benefit by the sum owed and may cause the policy to lapse.

\*\* Receipt of accelerated death benefits may affect eligibility for public assistance programs and may be taxable. There is no separate premium charge for this benefit. However, upon election, the benefit is discounted because it is an early payment and a one-time processing fee of \$150 is deducted.

This is a summary only. Policies have limitations and exclusions, and terms and conditions for keeping them in force. Consult an agent or review the policy for full details.
