

## Trinity Life Insurance Company--Family Benefit Life Insurance Company

**Rx Checklist:** This prescription checklist is a guideline to help you with field underwriting. This list is not comprehensive. Please remember medications are always changing and new medications often enter the market. We will do our best to keep this list updated, however please be aware there are medications that may still cause your client to be declined or offered a Graded Benefit. Alert Drugs will be evaluated and could be issued as Simplified, Graded or Declined.
